

Pacific Animal Productions COVID-19 Guidelines

Guidelines are continually changing regarding COVID-19, please note that we are committed to creating the best experience for you and your guests yet still following state and local guidelines.

Please read the following guidelines carefully. These guidelines may change according to the most recent recommendations.

Program Location: We are asking all programs to be in a large open space, outdoors if possible. If indoors is necessary, opening doors and windows to encourage air flow is recommended.

Guidance on Face Coverings (California State)

- For fully vaccinated persons, face coverings are not required outdoors except when attending crowded outdoor mega events.
- For unvaccinated persons, face coverings are required outdoors any time physical distancing cannot be maintained, including when attending mega events
- As defined in the CDPH Fully Vaccinated Persons Guidance, fully vaccinated people can*: Visit, without wearing masks or physical distancing, with other fully vaccinated people in indoor or outdoor settings; and Visit, without wearing masks or physical distancing, with unvaccinated people (including children) from a single household who are at low risk for severe COVID-19 disease in indoor and outdoor settings

Other measures to be taken by Pacific Animal Productions & the Trainer:

- All trainers have been fully vaccinated for Covid-19. If yourself or others are immunocompromised or unable to get the Covid-19 vaccine and you request our trainers to wear a mask, please notify us.
- We will comply with guidelines on distancing and masking where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance.
- All surfaces (i.e table or Zooprize boxes) will be sanitized before & after the event
- The trainer will practice frequent hand washing & use of hand sanitizer, recommended to others as well. If the trainer uses the Restroom, they will disinfect all surfaces after use.
- Contactless Payment - Payment is due the day of the event but we encourage paying ahead of time if possible by sending a check in the mail or by card.
- Trainers will conduct a self-health check daily before work and have been trained on the importance of not coming to work if they have a frequent cough, fever, difficulty breathing, chills, muscle pain, headache, sore throat, recent loss of taste or smell, or if they or someone they live with have been diagnosed with COVID-19. This health check includes a temperature check.
- Any employee who is experiencing a fever above 100.4, or feeling feverish, will be asked to return to work when they are no longer experiencing a fever above 100.4 or feeling feverish. If any of our staff were to come into close contact with anyone known to have tested positive for coronavirus, we follow all CDC guidelines to ensure we help keep others safe by reducing the spread of the illness.

Thank you so much for taking the care needed to help us provide a safe environment for us to bring the education & fun to you!
